

About the WEA

World Evangelical Alliance is a global ministry working with local churches around the world to join in common concern to live and proclaim the Good News of Jesus in their communities.

WEA is a network of churches in 129 nations that have each formed an evangelical alliance and over 100 international organizations joining together to give a world-wide identity, voice, and platform to more than 600 million evangelical Christians. Seeking holiness, justice and renewal at every level of society - individual, family, community and culture, God is glorified, and the nations of the earth are forever transformed.

Church in Community

A Department of the World Evangelical Alliance

Church in Community

We are a department of the World Evangelical Alliance. We share in common a passion for discipleship-making, for healthy churches and for churches that make a difference in their communities.

Church in Community

We are made up of a number of commissions, partners, taskforces, initiatives and agencies.

Vision: Disciple-making churches that express the Kingdom of God in their communities.

Mission: to serve Evangelical Alliances and the broader WEA family in developing disciple-making churches that express the Kingdom of God in their communities.

Discipling Nations Alliance

Global community of Christ that exists to serve the Church, helping her rise to her full potential as God's principal agent in restoring, healing, and blessing broken nations.

Converge

The global youth movement birthed out of the WEA Youth Commission. Converge offers youth movements and leaders a shared space where they can collaborate on a local, national, regional and global level to reach and disciple as many young people as possible for Christ.

Bible Engagement Advocacy

WEA initiative that advocates for increased, consistent and total engagement with the Bible by individuals, churches and communities around the world. We collaborate with like-minded organizations in helping facilitate Bible-driven disciple-making movements.

Global Children's Forum

GCF is a partnering network of over 100 organizations, large and small, local and international, who share a vision to see children everywhere walking with Jesus. We serve in relationship with both the Lausanne Movement and the World Evangelical Alliance. Our desire is to see effective tools and innovative thinking readily available to the whole Body of Christ. GCF websites offer many resources and ministry models, free of cost and copyright restrictions to serve the Church globally.

World Without Orphans

WWO is a global movement with a shared vision for orphans becoming sons and daughters. Our dream is that every child will grow up in a safe, stable and nurturing permanent family, and know their Heavenly Father. Local, national and regional WWO teams are in the ministry of calling and equipping leaders to collaborate in solving their country's orphan crisis.

Family Challenge

Global strategic collaboration which aims to transform communities around the globe by partnering with the church to build families according to God's design and equip families to be agents of change, impacting their communities for Christ.

Pastoring of Pastors Taskforce

A healthy disciple-making pastor is the heart of a healthy disciple-making church. Discipling is intentional growth with the help of another person, based on committed healthy relationships, developing a Christ-like multiplying lifestyle. "Healthy Pastor, Healthy Church, Healthy Community".

WEA Women's Commission

Global network seeking to equip and empower women and girls to be a compassionate prophetic Christian voice - identifying and addressing the unique needs of women around the world. We want to see women and men working and leading together to strengthen the impact of the Church.

Global Generosity Network

GGN is a network of individuals, churches, ministries, networks and institutions that are working together to improve Christian stewardship, facilitate increased generous living and stimulate increased Kingdom-focused giving worldwide.
